

NZX Release

18 April 2017

IMPACT OF EX-CYCLONE COOK

The directors of Scales Corporation Limited (NZX:SCL) advise that ex-Cyclone Cook has had a minimal impact on Horticulture Division subsidiary Mr Apple's 2017 apple harvest.

The high winds and heavy rain in the Hawke's Bay on the evening of Thursday 13 April resulted in losses with some apples blown from trees.

At this time these losses are estimated to be within normally expected tolerances.
